Dear Parent / Carer,

**Registering for Pupil Premium Funding could raise more money for our school! Please help!**

Every school is able to claim extra funding of up to £1900 per pupil, known as pupil premium funding, for children whose parents meet the criteria set out on the attached application form. If you think you may be eligible for pupil premium funding please complete the attached form today and send it in to school as soon as possible.

Even if you are not sure whether you qualify, we would ask that you complete the application form and we will find out for you on your behalf. Please help our lovely school to claim every penny we are entitled so that we can provide the very best education for your children. All forms will be treated as confidential.

If you are in receipt of any of the benefits listed on the form, you may also be eligible for a support with buying school uniform, for educational visits or after school activities for your child.

If you require any assistance or have any questions please do not hesitate to contact the team in the main school office

Kind Regards
