

Three Bridges Primary School

Sports Premium Policy

Approval Date: April 2018

Review Date: June 2023

Headteacher: 

SPORTS PREMIUM POLICY THREE BRIDGES PRIMARY SCHOOL

School Vision

To ensure we promote and support the importance of a healthy lifestyle and place particular emphasis on the wellbeing of our pupils. To promote how sport and activity impacts positively on all aspects of school life and to enable children to become physically literate, and lifelong learners.

The targeted and strategic use of the Primary School Sport Funding will support us in achieving our vision.

Principles

The purpose of this funding is to ensure improvement in the quality of sport and PE provision for all children. (Department for Education, March 2013) we will ensure that sport and PE provision addresses the needs of all of pupils, including those who belong to disadvantaged, vulnerable and gifted groups.

We aim to use this funding to build sustainability and capacity amongst all staff to ensure good quality teaching and provision after the funding has ceased.

Primary School Sports funding will be allocated following a whole school needs analysis which will identify priority classes, groups and individuals. In order to address any (identified) areas of need, this funding may be used across particular classes, key stages or whole school at any time during the academic year.

Provision

The range of provision the Governors may consider making could include:

- group work with an experienced sports teacher, focussed on overcoming gaps in learning
- increased pupil participation in sports
- additional teaching and learning opportunities provided through professional development courses
- cover release for professional development
- quality assured CPD modules/materials
- specialist Sports teaching
- qualified Sports coaching
- Change 4 Life sports clubs
- sports competitions
- swim competently, confidently and proficiently over 25m by Y6.

All our work will be aimed at increasing attainment, participation, improving confidence and skills and encouraging a life-long love of sport together with an understanding of the health benefits participation in sports activities offers. Reporting it will be the responsibility of the Headteacher, or a delegated member of staff, to produce regular reports for the Governors' Leadership and Management committee on:

- progress made towards improvements, by year group;
- an outline of the provision that was made since the last meeting;
- an evaluation of the cost effectiveness, in terms of the progress made by the pupils receiving a particular provision, when compared with other forms of support;
- it will be the responsibility of the Chair of the Leadership and Management committee to ensure this information is made known to the full governing body;
- the governors of the school will ensure that there is an annual online report on how the Primary Sport Premium Funding has been used to improve the uptake and outcomes for PE/sports both within and beyond the school day. This task will be carried out within the requirements published by the Department for Education.
