Headteacher:

SCHOOL LETTINGS POLICY INCLUDING TERMS AND CONDITIONS FOR THE HIRE OF THE SCHOOL PREMISES

Introduction

1. The Governing Body regards the school buildings and grounds as a community asset and will make every reasonable effort to enable them to be used to support local families, services and the community. Any lettings of the premises to outside organisations will be considered with this in mind. It is important however that requests for lettings are fully considered and that the lettings are properly documented to ensure all parties are aware of their mutual responsibilities.

<u>Definition of a Letting</u>

- 2. A letting may be defined as "any use of the school premises (buildings and grounds) by either individuals or community group (such as a local music group or football team), or a commercial organization (such as the local branch of 'Weight Watchers')". The use of the school premises in this way is a temporary arrangement following the completion of a school letting form rather than a formal licence or lease.
- 3. A letting must not interfere with the primary activity of the school, which is to provide a high standard of education for all its pupils. Use of the premises for activities such as staff meetings, parents' meetings, Governing Body meetings and extra-curricular activities of pupils supervised by school staff or external providers, fall within the corporate life of the school.

Responsibility

4. The Headteacher is responsible for the management of lettings, in accordance with the Governing Body's policy. Where appropriate, the Headteacher may delegate all or part of this responsibility to other members of staff, whilst still retaining overall responsibility for the lettings process. If the Headteacher has any concern about whether a particular request for a letting is appropriate or not, they will consult with the Chair of Governors.

Facilities Available

5. Generally, the Upper Site Hall, Community Room and occasionally the School Field are the only parts of the premises available for lettings purposes and only outside of normal school hours. The School does not hire out classrooms.

Administration

- 6. Those seeking to hire part of the school premises should approach the Headteacher *(or other designated member of staff)*, who will identify their requirements and clarify the facilities available.
- 7. An Application Form (a copy of which is attached to this policy at Appendix A and which is based upon West Sussex Document SL1) should be completed at this stage to provide basic details of the applicant. Once it has been decided to proceed with a

letting a letter of confirmation will be sent to the successful applicant, 'the Hirer', setting out full details of the letting and enclosing a copy of the terms and conditions and the relevant agreement.

- 8. The letting should not take place until the signed agreement has been returned to the school. The person applying to hire the premises on behalf of the Hirer will be invoiced for the cost of the letting, in accordance with the current scale of charges (see paragraph 14).
- 9. The Hirer must give their full details with the agreement in their name, including their permanent private address (for individual lettings) or named senior personnel, contact details, full business address and any registered Charity/ Company registration numbers.
- 10. No letting should be regarded as "booked" until the written agreement has been signed by both parties, any deposit/pre-payment has been paid as appropriate and approval has been given by the relevant person on behalf of the school.
- 11. No public announcement of any activity or function taking place should be made by the Hirer until the booking has been formally approved as detailed above.

Matters for Consideration

12. The head teacher will need to consider a number of issues prior to agreeing to a letting e.g. activity being carried out, numbers attending, time of day, keyholder availability, etc. This may raise concerns that may be addressed in the Agreement.

Finance

13. The school's delegated budget will not be used to subsidize any lettings unless it is of direct benefit for pupils. A charge will be made to meet the costs incurred by the school for any lettings of the premises. At the very least the actual cost to the school of any use of the premises by the Hirer must be paid.

Charges for a Letting

- 14. Generally, charges for the hire of the School's premises will be in accordance with West Sussex County Council's Standard Charge for the Use of School Premises and Conditions of Hire and the charge levied will be reviewed annually in line with such document. However, the School maintains the right to set its own hire charges dependent on the circumstances of each individual letting and Hirer.
- 15. Charges should be paid within 28 days of the letting or at appropriate intervals, e.g. termly, half-termly etc, as agreed with the Hirer at the time of the commencement of the letting.
- 16. All lettings fees which are received by the school will be paid into the school's individual bank account, in order to offset the costs of services, staffing etc (which are funded from the school's delegated budget).

17.	The School must ensure that the Hirer has ensured that the number of persons using the premises does not exceed that for which the application was made and approval given, and that all terms and conditions are being adhered to, including responsibility for payment of all fees or other sums due in respect of the letting.
