Welcome to Pear

Learn Enjoy Achieve Respect Nurture Engage and Resilience

Welcome to Pear!

We are delighted to offer high quality education for children following their third birthday. Our aim is for your child to leave us feeling confident, resilient and ready for Reception.

Each child's individual needs are met, in an atmosphere that celebrates individuality and diversity, where everyone is included, and everyone matters.

We aim for the Nursery to be an exciting, vibrant and enjoyable place for all children to be!

Our Nursery is known as Pear Class, and is based in The Orchard. This unit is an exciting opportunity for the children to learn in a way that is most appropriate for their stage of development. The children have their own outside area as well as access to the environmental area and a dedicated time for the play equipment on the main playground. We are particularly proud of our garden!

All activities will provide an opportunity for your child to work individually, with friends in smaller groups and as a whole class.

We have our own Christmas performance and Sports Day as well as being involved in other school events such as Race for Life and dress up days, World Nursery Rhyme Week being a favourite!

Nursery Sessions

Pear AM 8:30-11:30

Pear PM 12:10-3:10

Unfortunately, we are unable to offer a place for parents wishing to take advantage of the Government's 30 hours free funding.

If your child is clearly unsettled on first starting Nursery, please don't worry this is normally for your benefit and we find they settle quickly once you have left! However, if you have any concerns, please phone and check, your peace of mind is important to us. We will post photos on Dojo to reassure you as well!

Children joining Pear are invited with their parent or carer to a 1:1 meeting with the class teacher. This gives us a chance to get to know one another and for your child to have an explore of our setting with the reassurance of your presence.
