

English

In English we will be looking at our topic based texts, which include: You can't let an elephant drive a racing car, Traction man, Lost in the toy museum and When I was a child.

We will be continuing to use capital letters, full stops, and finger spaces to write sentences about toys. Our new learning will include using exclamation marks, joining clauses using 'and' as well as continuing to learn the common exception words.

Maths

In Year one this term we will be exploring number and place value to 100. We will also be introducing multiplication and division by using sharing and grouping.

We will also be introducing fractions of number and shape, including halves and quarters. In summer two we will be introducing money, the children will be identifying coins and notes.

How you can help at home in the spring term

1. Remember to read with your child at home. We will be sending reading materials home but feel free to read your own books too.
2. Complete weekly home learning.
3. Visit the library with your child and encourage them to read exciting books.
4. Practice writing sentences at home with your child.

Year 1 Topic Map Summer Term In the toy box

Science:
