

English

In English we will be using our topic based text on Hansel and Gretel to write about our own description of a fairytale setting. Through this term we will be focussing on reading our own writing clearly, joining words and clauses with the conjunction 'and,' begin to use the correct tense. We will be writing sentences using capital, letters, full stops and question marks. We will be practising forming letters and digits correctly.

Maths

In Year 1 this term we will be exploring number and place value to 20 and then to 50. Children will learn how to write these numbers, learn how to count forwards and backwards and complete addition and subtraction questions about them. We will then move onto learning about measurement of money and time. We will be completing concrete, pictorial and abstract questions based on these topics. The children will have the opportunity to work practically.

How you can help at home in the Summer term

1. Remember to read with your child at home. We will be sending reading materials home but feel free to read your own books too.
2. Complete weekly home learning.
3. Visit the library with your child and encourage them to read exciting books.
4. Practice writing sentences at home with your child.

Year 1 Topic Map Summer Term Our local park Plants and trees

Science

We will be learning about plants. We will learn what plants need to grow and to stay alive and will be planting our own seeds. We will be learning how to name common trees and flowers.

Vocab: plant, tree, evergreen, deciduous, roots, stem, leaf

PSHE

In PSHE we will be looking at citizenship, economic wellbeing and transition to end the year. In Citizenship we will be covering belonging, similarities and differences. In Economic wellbeing we will be looking at keeping money safe.

Foundation Subjects

History - Famous explorers - We will be looking at the life of David Attenborough.

Geography - We will be looking at our school grounds and our local park. We will be collecting data and conducting fieldwork about our areas.

Vocab: data, fieldwork, features, collection

Art - We will be weaving and exploring different knots.

Computing - Online safety

In computing we will be looking at online safety. We will be looking at being kind and considerate online and how to be safe online.

PE - We will be practicing our tennis skills

Music - We will be exploring dynamics and rhythmic patterns through the story of 'The three little pigs.'

RE - We will be looking at religious celebrations. This will include Hindu celebrations including Diwali in Summer One and muslim celebrations including Eid in Summer Two.
