

Home learning grid - Autumn Term - Campania and My Region

Here are the activities available for your child's home learning. The expectation is that they complete 1 activity a week from the range of subjects provided. Please make sure it's handed in by Friday of each week! Have fun!

Geography tasks	Home and Away	RE
Research and compare the weather in an Italian city (e.g., Naples) with a South East England city (e.g., Brighton) over one week. Present your data in an interesting way! 	Visit somewhere in the South East. Could you take a photo of a landmark and show the class, describing why it is important? 	We are learning about Sikhism in Autumn 1 and Christianity in Autumn 2. Create a mini booklet explaining the 5 K's. Make a story board of the key events leading up to the birth of Jesus Christ.
Create two postcards: one showing a key feature of the Campagna region (e.g., Naples, Mt. Vesuvius, Amalfi Coast) and another depicting a key feature of South East England (e.g., the South Downs, Chichester Cathedral, or Brighton beach). Write a letter on the back to a pen pal in the other region explaining either what life is like in Italy or England. 	Fact page Create a fact page on a city of your choice. What is their national dish? What is their currency? What is the famous landmark? Where is the city? What language do they speak? 	Library Visit Crawley Library. Choose a new book and write a short explanation why you chose it. You may like to add a picture of the front cover. Bring the book into school to show the class. 
Make some Italian food at home! Follow a recipe to create a pastas recipe or recreate another pizza! Recipe: 	London Can you think of 5 questions you would like to ask a person who lived in the city of London? Remember to ask questions that will not give a yes or no answer. Example: What is it like to live there?	Author Pick one of the authors (or your own choice). Adam Blade, Tom Percival, Liz Pichon or Tom Fletcher. Find out who they are and what books they have written. Create a poster all about them. You can= do this in your books or digitally. 
PSHE Families and relationships - Make a short comic showing how you and your family spend time together. - Interview a family member about their childhood and write down one thing that was the same and one thing that was different compared to your own life. - Make a poster on how people can solve disagreements in a kind and fair way	Art Graffiti Create your own tag name in the style of a graffiti artist. 	Geography Volcanos In Autumn 2 we will be learning about volcanos. - Make a colourful poster about your chosen famous volcano - include a picture, location, and one interesting fact. - Build a volcano using playdough, clay, papier-mâché, LEGO, or recycled materials. (Optional: make it erupt with baking soda + vinegar + food colouring!). There are many ideas on YouTube and other sites to inspire you! 
	Science Living things and their habitats - Go into your garden, park, or even your home. Try to spot living things in different habitats., can you draw a picture of what you find? - Build a mini habitat model, this can be out of Lego, shoe boxes or natural materials such as leaves, stones or sticks.
